Question 1: Reading Comprehension — السؤال الأول: فهم المقروء — 10 marks

Read the passage, then answer the questions. اقرأ القطعة ثم أجب عن الأسئلة.

> Last Friday, Class 9B went on a trip with the school wildlife club to an area near Jebel Acacus. A local guide showed the students pictures of gazelles, fennec foxes and rare birds that live in Libya. He explained that animals need safe habitats to find food and raise their young. The students stayed on the path and did not feed the animals. They also collected litter near the picnic area. On the way back, Mariam suggested writing an article for the school magazine. The students decided to make posters about protecting wildlife and keeping natural places clean.

Question 4: Writing — 12 marks

> Wildlife is important because animals help keep nature balanced. Libya is home to animals such as gazelles and fennec foxes. However, hunting and litter can damage their habitats and make it difficult for them to survive. Students can help by keeping natural places clean, learning about local animals and telling others why wildlife matters. We should never disturb wild animals or leave rubbish in the places where they live. Protecting wildlife is everyone's responsibility.
