My life story is a journey filled with unique experiences and meaningful moments. I was born in abha on 1427, and it's where the first chapter of my life began. I was raised and educated in abha, where I had the privilege of receiving a quality education that shaped my perspective and values. Throughout my life, I have been fortunate to be surrounded by a loving family, and I currently live with my Family.

As for my aspirations, I have always been driven by a desire to make a positive impact on the world. I dream of becoming a doctor because I believe it aligns with my passion and values. 1) Composition

1- Write a paragraph about "Your Hobby"

You may use these words: painting – drawing – picture – brushes – relaxing -

Engaging in a hobby is an essential part of my life, and one of my absolute favorites is painting. When I have some free time, I love to immerse myself in the world of colors and creativity. I take out my painting supplies, including brushes and a canvas, and start working on a new picture. The process of painting is not only a means of artistic expression but also incredibly relaxing for me. As the colors blend on the canvas, I feel a sense of tranquility and escape from the daily hustle and bustle.
