## 1) Composition

6

**1- Write a paragraph about: (Your Free Time)** You may use the words below:  
usually – basketball – mall – watch TV – video games –skiing – vacation – hiking

In my free time, I usually engage in a variety of activities that keep me both entertained and relaxed. One of my favorite pastimes is playing basketball with friends at the local court, which not only provides a great workout but also fosters camaraderie. On quieter days, I like to unwind by watching TV or indulging in video games. When I'm seeking more adventure, I might go skiing during the winter or plan a hiking trip during the warmer months. And if the opportunity arises, I enjoy taking a vacation to explore new places or simply spend a day at the mall. My free time is all about balancing relaxation and excitement, making it a cherished part of my life.

One of my favorite hobbies is painting. All I need for this creative endeavor is a set of high-quality paints, brushes, a canvas, and my imagination. I try to dedicate time to painting as often as I can, at least a few times a week. I find the act of painting to be a therapeutic and enjoyable way to express myself. I usually create my art in a cozy corner of my room, where I have all my supplies within arm's reach. What I love most about painting is the freedom it offers for self-expression and the way it allows me to escape into a world of colors and emotions. It's a fantastic way to unwind, and I enjoy the satisfaction of seeing my ideas come to life on the canvas. Whether it's a beautiful landscape, an abstract piece, or a portrait, painting is a source of endless joy and relaxation for me.
